International Cardiology
EECP/ECP Society

Press Release Chennai 08th October 2021

Enhanced External Counterpulsation (EECP) from concept to Application

ICES and Texas A&M University jointly conduct a program on Enhanced External Counterpulsation

International Cardiology EECP/ECP society (ICES) is proud to announce an education program on Enhanced External Counterpulsation Via zoom to the graduate students, postdoctoral fellows, and faculty of Texas A&M University. ICES brings this academic program in collaboration with Texas A& M University.

Texas A&M University is ranked the top university in Texas in MONEY magazine's new best value rankings. Texas A&M is ranked No. 11 in the publication's overall rankings, No. 5 in its best public schools list, which tops all Texas schools. 10-Sep-2020. ICES is an organization that started to regularize and advance the knowledge on EECP treatment through teaching and academic research.

Dr.S Ramasamy, president of ICES, will deliver the guest lecture.

"Enhanced External Counterpulsation (EECP) from concept to Application."

The lecture will cover the development of EECP treatment, mechanism of action, and application in clinical cardiology.

Please see the attachment to join the meeting through zoom.
